

Rule 312 Amendment
Applicant: Ganesan, et al.
Filed: May 8, 2001
Application No.: 09/849,979

Amendments to the Claims

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

58. (Canceled)

59. (Previously presented) The method of Claim 64, wherein the electronic greeting card is transmitted to the designated recipient at one of 1) a time subsequent to the directing of the crediting of the funds to the deposit account, and 2) a time concurrent with the directing of the crediting of the funds to the deposit account.

60. (Currently amended) The method of Claim 64, wherein:

the electronic greeting card includes a hyper-link;

the funds are directed to be credited to the deposit account subsequent to an activation of the hyper-link; and

the deposit account is at a financial institution.

61. (Currently amended) The method of Claim 64, further comprising:

activating the hyper-link; and

receiving, via the activated activation of the hyper-link, information identifying the designated recipient;

wherein the funds are directed to be credited to the deposit account subsequent to receipt of the information identifying the recipient; and

Rule 312 Amendment

Applicant: Ganesan, et al.

Filed: May 8, 2001

Application No.: 09/849,979

wherein the deposit account is associated with the designated recipient.

62. (Currently amended) The method of Claim [[64]] 61, further comprising:

processing the received information identifying the designated recipient to determine if the designated recipient is a member of an enclosed community prior to the directing of the crediting of the funds to the deposit account ~~associated with the designated recipient; and~~

if it is determined that the designated recipient is not a member of the enclosed community, transmitting a notice, via the network, to the designated recipient, that the designated recipient must become a member of the enclosed community before the funds are directed to be credited to the deposit account ~~associated with the designated recipient.~~

63. (Currently amended) A method for making a monetary gift, comprising:

receiving, via a network, a request to send an electronic greeting card and to make an associated monetary gift in an amount, on behalf of a requesting donor to a designated recipient;

processing the received request to generate the electronic greeting card including a notification of the monetary gift;

transmitting, via the network, the generated electronic greeting card to the designated recipient;

~~directing a crediting of funds equal to the monetary gift amount to a deposit account;~~

Rule 312 Amendment

Applicant: Ganesan, et al.

Filed: May 8, 2001

Application No.: 09/849,979

further transmitting, via the network, the transmitted electronic greeting card including [[the]] a hyper-link and the notification of the monetary gift to a non-designated recipient;

~~activating the hyper-link in the further transmitted electronic greeting card;~~

~~receiving, via the activated activation of the hyper-link, information identifying the non-designated recipient;~~

processing the received information identifying the non-designated recipient to determine if the non-designated recipient is a member of an enclosed community;

if it is determined that the non-designated recipient is not a member of the enclosed community, transmitting a notice, via the network, to the non-designated recipient, that the non-designated recipient must become a member of the enclosed community before funds are directed to be credited to [[the]] a deposit account; and

if it is determined that the non-designated recipient is a member of the enclosed community, directing the crediting of the funds equal to the monetary gift amount to the deposit account;

wherein the deposit account is at a financial institute and is associated with the non-designated recipient.

64. (Previously presented) A method for making a monetary gift, comprising:

receiving, via a network, a request to send an electronic greeting card and to make an associated monetary gift in an amount, on behalf of a requesting donor to a designated recipient;

Rule 312 Amendment

Applicant: Ganesan, et al.

Filed: May 8, 2001

Application No.: 09/849,979

processing the received request to generate the electronic greeting card including a notification of the monetary gift;

transmitting, via the network, the generated electronic greeting card to the designated recipient;

directing a crediting of funds equal to the monetary gift amount to a deposit account;

debiting a payment account at a financial institute associated with the requesting donor;

wherein the payment account associated with the requesting donor is debited at a time subsequent to an activation of a hyper-link included in the transmitted electronic greeting card.

65. (Previously presented) The method of Claim 64, further comprising:

processing the received request to determine if the designated recipient is a member of an enclosed community prior to processing the request to generate the electronic greeting card including the notification of the monetary gift;

wherein, if it is determined that the designated recipient is not a member of the enclosed community, the transmitted electronic greeting card includes a notification that the recipient must become a member of the enclosed community before funds are directed to be credited to the deposit account.

66. (Previously presented) A method for making a monetary gift, comprising:

Rule 312 Amendment

Applicant: Ganesan, et al.

Filed: May 8, 2001

Application No.: 09/849,979

receiving, via a network, a request to send an electronic greeting card and to make an associated monetary gift in an amount, on behalf of a requesting donor to a designated recipient;

processing the received request to generate the electronic greeting card including a notification of the monetary gift;

transmitting, via the network, the generated electronic greeting card to the designated recipient; and

directing a crediting of funds equal to the monetary gift amount to a deposit account;

wherein the request is received from an electronic greeting card service.

67. (Previously presented) The method of Claim 64, wherein:

the request is received by, the received request is processed by and the generated electronic greeting card is transmitted by an electronic greeting card service; and
the crediting of funds is directed by a payment service provider.

68. (Previously presented) A method for making a monetary gift, comprising:

receiving, via a network, a request to send an electronic greeting card and to make an associated monetary gift in an amount, on behalf of a requesting donor to a designated recipient;

processing the received request to generate the electronic greeting card including a notification of the monetary gift;

Rule 312 Amendment
Applicant: Ganesan, et al.
Filed: May 8, 2001
Application No.: 09/849,979

transmitting, via the network, the generated electronic greeting card to the designated recipient;

directing a crediting of funds equal to the monetary gift amount to a deposit account; and

transmitting, via the network, the generated electronic greeting card to an electronic greeting card service prior to transmitting the electronic greeting card to the designated recipient.

69. (Canceled)

70. (Previously presented) The system of Claim 75, wherein the processor is further configured to cause the electronic greeting card to be transmitted to the recipient at one of 1) a time subsequent to the directing of the crediting of the funds to the deposit account, and 2) a time concurrent with the directing of the crediting of the funds to the deposit account.

71. (Currently amended) The system of Claim 75, wherein:

~~the generated electronic greeting card includes a hyper-link;~~

the communications port is further configured to receive information via the network over the hyper-link;

the processor is further configured to direct the funds to be credited to the deposit account subsequent to receipt of the information over the hyper-link; and

the deposit account is at a financial institute.

Rule 312 Amendment

Applicant: Ganesan, et al.

Filed: May 8, 2001

Application No.: 09/849,979

72. (Currently amended) The system of Claim [[75]] 71, wherein:

the information received via the network over the hyper-link identifies the designated recipient;

the processor is further configured to direct the funds to be credited to the deposit account subsequent to receipt of the information identifying the designated recipient; and

the deposit account is associated with the designated recipient.

73. (Currently amended) The system of Claim 75, wherein:

the processor is further configured to (1) process the received information identifying the designated recipient to determine if the designated recipient is a member of an enclosed community prior to the directing of the crediting of the funds to the deposit account associated with the designated recipient, and (2) if it is determined that the designated recipient is not a member of the enclosed community, cause the communications port to transmit a notice to the designated recipient that the designated recipient must become a member of the enclosed community before the funds are directed to be credited to the deposit account associated with the designated recipient.

74. (Currently amended) A system for making a monetary gift, comprising:

a communications port configured to receive a request to send an electronic greeting card and to make an associated monetary gift in an amount, on behalf of a requesting donor to a designated recipient, via a network; and

Rule 312 Amendment

Applicant: Ganesan, et al.

Filed: May 8, 2001

Application No.: 09/849,979

a processor configured to process the received request to generate the electronic greeting card including a notification of the monetary gift;

wherein:

~~wherein~~ the communications port is further configured to transmit the electronic greeting card to the designated recipient via the network;

~~wherein the processor is further configured to direct funds equal to the monetary gift amount to be credited to a deposit account;~~

wherein:

the generated greeting card includes a hyper-link;

the communications port is further configured to receive, via the network over the hyper-link, information identifying a non-designated recipient subsequent to a transmission of the electronic greeting card;

the processor is further configured to process the information identifying the non-designated recipient to determine if the non-designated recipient is a member of an enclosed community;

if it is determined that the non-designated recipient is not a member of the enclosed community, the processor is further configured to cause the communications port to transmit a notice to the non-designated recipient, via the network, that the non-designated recipient must become a member of the enclosed community before the funds are directed to be credited to [[the]] a deposit account;

Rule 312 Amendment

Applicant: Ganesan, et al.

Filed: May 8, 2001

Application No.: 09/849,979

if it is determined that the non-designated recipient is a member of the enclosed community, the processor is further configured to direct the funds equal to the monetary gift amount to be credited to the deposit account; and

the deposit account is at a financial institute and is associated with the non-designated recipient.

75. (Currently amended) A system for making a monetary gift, comprising:

a communications port configured to receive a request to send an electronic greeting card and to make an associated monetary gift in an amount, on behalf of a requesting donor to a designated recipient, via a network; and

a processor configured to process the received request to generate the electronic greeting card including a notification of the monetary gift;

wherein:

wherein the communications port is further configured to transmit the electronic greeting card to the designated recipient via the network;

wherein the processor is further configured to direct funds equal to the monetary gift amount to be credited to a deposit account;

wherein:

the processor is further configured to direct funds to be debited from a payment account associated with the requesting donor; and

the payment account associated with the donor is directed to be debited at a time subsequent to an activation of a hyper-link included in the transmitted electronic greeting card.

Rule 312 Amendment

Applicant: Ganesan, et al.

Filed: May 8, 2001

Application No.: 09/849,979

76. (Previously presented) The system of Claim 75, wherein:

the processor is further configured to process the request to determine if the designated recipient is a member of an enclosed community prior to generating the electronic greeting card including the notification of the monetary gift; and

if it is determined that the designated recipient is not a member of the enclosed community, the generated electronic greeting card includes a notification that the designated recipient must become a member of the enclosed community before the funds are directed to be credited to the deposit account.

77. (Currently amended) A system for making a monetary gift, comprising:

a communications port configured to receive a request to send an electronic greeting card and to make an associated monetary gift in an amount, on behalf of a requesting donor to a designated recipient, via a network; and

a processor configured to process the received request to generate the electronic greeting card including a notification of the monetary gift;

wherein the communications port is further configured to transmit the electronic greeting card to the designated recipient via the network;

wherein the processor is further configured to direct funds equal to the monetary gift amount to be credited to a deposit account; and

wherein the request is received from an electronic greeting card service.

Rule 312 Amendment

Applicant: Ganesan, et al.

Filed: May 8, 2001

Application No.: 09/849,979

78. (Previously presented) The system of claim 75, wherein the request is received by an electronic greeting card service.

79. (Currently amended) A system for making a monetary gift, comprising:

a communications port configured to receive a request to send an electronic greeting card and to make an associated monetary gift in an amount, on behalf of a requesting donor to a designated recipient, via a network; and

a processor configured to process the received request to generate the electronic greeting card including a notification of the monetary gift;

wherein the communications port is further configured to transmit the electronic greeting card to the designated recipient via the network;

wherein the processor is further configured to direct funds equal to the monetary gift amount to be credited to a deposit account; and

wherein the communications port is further configured to transmit, via the network, the generated electronic greeting card to an electronic greeting card service.

80-81. (Canceled)

82. (Currently amended) The method of Claim [[63]] 68, wherein:

the request is received by, the received request is processed by and the generated electronic greeting card is transmitted by an electronic greeting card service; and

the crediting of funds is directed by a payment service provider.

Rule 312 Amendment

Applicant: Ganesan, et al.

Filed: May 8, 2001

Application No.: 09/849,979

83. (Previously presented) The method of Claim 66, wherein the electronic greeting card is transmitted to the designated recipient at one of 1) a time subsequent to the directing of the crediting of the funds to the deposit account, and 2) a time concurrent with the directing of the crediting of the funds to the deposit account.

84. (Previously presented) The method of Claim 66, wherein:

the electronic greeting card includes a hyper-link;

the funds are directed to be credited to the deposit account subsequent to an activation of the hyper-link; and

the deposit account is at a financial institution.

85. (Currently amended) The method of Claim [[66]] 84, further comprising:

activating the hyper-link; and

receiving, via the activated activation of the hyper-link, information identifying the designated recipient;

wherein the funds are directed to be credited to the deposit account subsequent to receipt of the information identifying the recipient; and

wherein the deposit account is associated with the designated recipient.

86. (Currently amended) The method of Claim 66, further comprising:

Rule 312 Amendment
Applicant: Ganesan, et al.
Filed: May 8, 2001
Application No.: 09/849,979

receiving, via activation of the hyperlink, information identifying the designated recipient;

processing the received information identifying the designated recipient to determine if the designated recipient is a member of an enclosed community prior to the directing of the crediting of the funds to the deposit account ~~associated with the designated recipient; and~~

if it is determined that the designated recipient is not a member of the enclosed community, transmitting a notice, via the network, to the designated recipient, that the designated recipient must become a member of the enclosed community before the funds are directed to be credited to the deposit account ~~associated with the designated recipient.~~

87. (Previously presented) The method of Claim 66, further comprising:

processing the received request to determine if the designated recipient is a member of an enclosed community prior to processing the request to generate the electronic greeting card including the notification of the monetary gift;

wherein, if it is determined that the designated recipient is not a member of the enclosed community, the transmitted electronic greeting card includes a notification that the recipient must become a member of the enclosed community before funds are directed to be credited to the deposit account.

88. (Previously presented) The method of Claim 63, wherein:

Rule 312 Amendment

Applicant: Ganesan, et al.

Filed: May 8, 2001

Application No.: 09/849,979

the request is received by, the received request is processed by and the generated electronic greeting card is transmitted by an electronic greeting card service; and
the crediting of funds is directed by a payment service provider.

89. (Previously presented) The method of Claim 68, wherein the electronic greeting card is transmitted to the designated recipient at one of 1) a time subsequent to the directing of the crediting of the funds to the deposit account, and 2) a time concurrent with the directing of the crediting of the funds to the deposit account.

90. (Previously presented) The method of Claim 68, wherein:
the electronic greeting card includes a hyper-link;
the funds are directed to be credited to the deposit account subsequent to an activation of the hyper-link; and
the deposit account is at a financial institution.

91. (Currently amended) The method of Claim [[68]] 90, further comprising:
~~activating the hyper-link; and~~
receiving, via the activated activation of the hyper-link, information identifying the designated recipient;
wherein the funds are directed to be credited to the deposit account subsequent to receipt of the information identifying the recipient; and

Rule 312 Amendment
Applicant: Ganesan, et al.
Filed: May 8, 2001
Application No.: 09/849,979

wherein the deposit account is associated with the designated recipient.

92. (Currently amended) The method of Claim 68, further comprising:

receiving, via activation of the hyper-link, information identifying the designated recipient;

processing the received information identifying the designated recipient to determine if the designated recipient is a member of an enclosed community prior to the directing of the crediting of the funds to the deposit account associated with the designated recipient; and

if it is determined that the designated recipient is not a member of the enclosed community, transmitting a notice, via the network, to the designated recipient, that the designated recipient must become a member of the enclosed community before the funds are directed to be credited to the deposit account associated with the designated recipient.

93. (Previously presented) The method of Claim 68, further comprising:

processing the received request to determine if the designated recipient is a member of an enclosed community prior to processing the request to generate the electronic greeting card including the notification of the monetary gift;

wherein, if it is determined that the designated recipient is not a member of the enclosed community, the transmitted electronic greeting card includes a notification that the recipient must become a member of the enclosed community before funds are directed to be credited to the deposit account.

Rule 312 Amendment

Applicant: Ganesan, et al.

Filed: May 8, 2001

Application No.: 09/849,979

94. (Previously presented) The method of Claim 68, wherein:

the request is received by, the received request is processed by and the generated electronic greeting card is transmitted by an electronic greeting card service; and
the crediting of funds is directed by a payment service provider.

95. (Currently amended) The method system of Claim 74, wherein the request is received by an electronic greeting card service.

96. (Previously presented) The system of Claim 77, wherein the processor is further configured to cause the electronic greeting card to be transmitted to the recipient at one of 1) a time subsequent to the directing of the crediting of the funds to the deposit account, and 2) a time concurrent with the directing of the crediting of the funds to the deposit account.

97. (Previously presented) The system of Claim 77, wherein:

the generated electronic greeting card includes a hyper-link;
the communications port is further configured to receive information via the network over the hyper-link;
the processor is further configured to direct the funds to be credited to the deposit account subsequent to receipt of the information over the hyper-link; and
the deposit account is at a financial institute.

Rule 312 Amendment
Applicant: Ganesan, et al.
Filed: May 8, 2001
Application No.: 09/849,979

98. (Currently amended) The system of Claim [[77]]97, wherein:

the information received via the network over the hyper-link identifies the designated recipient;

the processor is further configured to direct the funds to be credited to the deposit account subsequent to receipt of the information identifying the designated recipient; and

the deposit account is associated with the designated recipient.

99. (Currently amended) The system of Claim [[77]] 98, wherein:

the processor is further configured to (1) process the received information identifying the designated recipient to determine if the designated recipient is a member of an enclosed community prior to the directing of the crediting of the funds to the deposit account associated with the designated recipient, and (2) if it is determined that the designated recipient is not a member of the enclosed community, cause the communications port to transmit a notice to the designated recipient that the designated recipient must become a member of the enclosed community before the funds are directed to be credited to the deposit account associated with the designated recipient.

100. (Previously presented) The system of Claim 77, wherein:

the processor is further configured to process the request to determine if the designated recipient is a member of an enclosed community prior to generating the electronic greeting card including the notification of the monetary gift; and

Rule 312 Amendment

Applicant: Ganesan, et al.

Filed: May 8, 2001

Application No.: 09/849,979

if it is determined that the designated recipient is not a member of the enclosed community, the generated electronic greeting card includes a notification that the designated recipient must become a member of the enclosed community before the funds are directed to be credited to the deposit account.

101. (Previously presented) The system of Claim 77, wherein the request is received by an electronic greeting card service.

102. (Previously presented) The system of Claim 79, wherein the processor is further configured to cause the electronic greeting card to be transmitted to the recipient at one of 1) a time subsequent to the directing of the crediting of the funds to the deposit account, and 2) a time concurrent with the directing of the crediting of the funds to the deposit account.

103. (Previously presented) The system of Claim 79, wherein:

- the generated electronic greeting card includes a hyper-link;
- the communications port is further configured to receive information via the network over the hyper-link;
- the processor is further configured to direct the funds to be credited to the deposit account subsequent to receipt of the information over the hyper-link; and
- the deposit account is at a financial institute.

104. (Currently amended) The system of Claim [[79]] 103, wherein:

Rule 312 Amendment

Applicant: Ganesan, et al.

Filed: May 8, 2001

Application No.: 09/849,979

the information received via the network over the hyper-link identifies the designated recipient;

the processor is further configured to direct the funds to be credited to the deposit account subsequent to receipt of the information identifying the designated recipient; and

the deposit account is associated with the designated recipient.

105. (Currently amended) The system of Claim [[79]] 104, wherein:

the processor is further configured to (1) process the received information identifying the designated recipient to determine if the designated recipient is a member of an enclosed community prior to the directing of the crediting of the funds to the deposit account associated with the designated recipient, and (2) if it is determined that the designated recipient is not a member of the enclosed community, cause the communications port to transmit a notice to the designated recipient that the designated recipient must become a member of the enclosed community before the funds are directed to be credited to the deposit account associated with the designated recipient.

106. (Previously presented) The system of Claim 79, wherein:

the processor is further configured to process the request to determine if the designated recipient is a member of an enclosed community prior to generating the electronic greeting card including the notification of the monetary gift; and

if it is determined that the designated recipient is not a member of the enclosed community, the generated electronic greeting card includes a notification that the designated

Rule 312 Amendment

Applicant: Ganesan, et al.

Filed: May 8, 2001

Application No.: 09/849,979

recipient must become a member of the enclosed community before the funds are directed to be credited to the deposit account.

107. (Canceled)
